

Tanner Nielsen

Front-end web developer with newly developed skills in HTML, CSS, JavaScript, and responsive web design. I recently earned a Certificate in Full Stack Web Development through the University of Arizona. I am a creative, confident, self-motivated person who is also a team player. With each project, I focus on creating an impactful and memorable user experience. I am ecstatic to expand my knowledge and refine my skills as part of joining a quality-driven team to build a better web experience
